I have taken the liberty of adding a little to the title that you gave me so as to show that it related to medallic work rather than other branches of art. If you have any objection to this, kindly let me know tomorrow. I will have a proof from the printer tomorrow afternoon, and so will be able to make any changes desired up to that time.

To the Committee on United States Medals.

Mr. Jonathan M. Swanson,
22 Camp Street,
Newark, N. J.

Dear Sir:-

The Annual Meeting of The American Numismatic Society will be held Saturday afternoon, January 20th, at which, according to our By-Laws Chapter VI, Article 3, the Chairman of your Committee will be called upon to present a report in writing concerning the activities of your Committee. This Annual Meeting is the first one since the inauguration of the new regime. We therefore wish to make the meeting an eminently satisfactory one to our entire membership. Nothing can be accomplished without the whole hearted co-operation of all.

The staff in the Society's building have devoted their energies and time to the futtherance of the Society's affairs and interests. The Society now looks forward to receiving a report of your Committee.

Seven months ago at the Spring general meeting of Committees, minute books and suggestions were furnished each Committee. If you have nothing definite to report, refer to your minute book and at least give us a digest of your minutes and discussions. Perhaps your report has already been drawn up. In any case we would ask you to hand it in not later than the thirteenth of this month in order that we may be aided in the arrangement of the programme of the Annual Meeting.

If you are the Chairman of your Committee, please turn your attention to this matter at once as it is imperative that a written report be presented at the coming meeting.

J.N.S.

If you are not the Chairman, will you not get in touch with him immediately as the time remaining is very short.

We wish to emphasise again that all the resources of the Society - everybody and everything in the building - are at your immediate disposal.

Can we help you ?

Your Committee is composed of

Dr. T. L. Comparetti, Chairman, United States Mint, Philadelphia, Pennsylvania.
Mr. Henri Weil, 34 East 28th Street, New York.
Telephone, Madison Square 8279.

Hoping to see you, or at least hear from you, on or before the 13th, I remain,

Yours very sincerely,

President.

February 28th, 1917.

Mr. Jonathan M. Swanson,
Member, Committee on United States Medals,
22 Camp Street,
Newark, N. J.

Dear Mr. Swanson:-

In view of the fact that this past year was one of new conditions and problems, the work of the Committee on United States Medals was of importance. Much more may be expected in the future with a competent chairman at the head of this Committee. With the ground more or less completed, we can now look forward to the more active and important work that lies ahead of us, and which will call for energetic but highly interesting and valuable activity on the part of the several committees. We feel certain that you are the most able person in your particular line. To assist you as much as possible it has seemed best this year not to appoint your fellow members at once, but ask you to name several members of this Society whom you feel reasonably assured will be of real assistance to you in the coming year. May I ask you to let me hear from you with respect to suggested names as soon as possible in order that we may eliminate any duplication that may arise among the several committees and write to the appointees before the special meeting of the committees, which will in all probability be called for March 24th. Please make a note of this date as there should be as full a meeting as possible of all the members of all the committees.

Yours very truly,

President.

March 20th, 1917.

Mr. Jonathan M. Swanson,
22 Camp Street,
Newark, N. J.

Dear Sir:-

A meeting of all the members of all the committees is hereby called for three o'clock on the afternoon of Saturday, March 31st. Will you please make a special effort to attend as it is desirable to talk over the approaching activities of our Society in the various fields covered by the Standing Committees.

Very truly yours,

President.

October 23rd, 1917.

Mr. Jonathan M. Swanson,
22 Camp Street,
Newark, N. J.

Dear Mr. Swanson:-

Sometime ago Mr. Wood informed me that you had phoned to him the address of the gentleman in Philadelphia in charge of the issuing of your Luther medal. The memorandum he gave me read Dr. H. W. Gold, 1025 Chestnut Street, Philadelphia, but the letter addressed to him has been returned stating that there is no such person there. Can you help us by checking up this address to see if there has been any error made ?

Yours very sincerely,

Secretary.

December 10th, 1917.

Mr. Jonathan M. Swanson,
22 Camp Street,
Newark, N. J.

Dear Mr. Swanson:-

As Chairman of the Committee on United States Medals, may I remind you that a report of your Committee is to be presented at the Annual Meeting on January 12th. This is a week earlier than last year - hence this reminder. We desire to make special effort to have the Proceedings printed as nearly on time as may be. May I ask that you have your report in shape for immediate printing as soon as it has been presented and approved?

Yours respectfully,

Secretary.

P. S. Please confer with Mr. Vail regarding the medals which have been struck with the artists' permission and given by him.

April 17th, 1918.

Mr. Jonathan M. Swanson,
22 Camp Street,
Newark, N. J.

Dear Mr. Swanson:-

At the meeting on Saturday announcement was made of the fact that we had added since the March meeting fifty-eight members to our roll. This brought to my mind that I had recently sent you a number of invitation cards at your request. I am wondering if you have secured signatures to any of them. We feel that the personal invitation of our members is bound to bring the best results, and I am hoping that your efforts have been successful.

Very cordially yours,

Secretary.

July 9th, 1918.

Mr. Jonathan M. Swanson,
22 Camp Street,
Newark, N. J.

Dear Mr. Swanson:-

I am enclosing some copies of a folder describing the work of our Society, giving special prominence to manuals. Our campaign for the increase of our membership has brought us one hundred and thirty-five new members. Now have you succeeded with the ones you hoped to secure for us at Newark ?

Very cordially yours,

Secretary.

December 16th, 1918.

Mr. Jonathan M. Swanson,
22 Camp Street,
Newark, N. J.

Dear Mr. Swanson:-

I discovered only today that through a clerical oversight an invitation to join the competition on our "Peace Medal" did not go to you as I had given instructions. I am very sorry that this is the case, and I am enclosing herewith the two letters that have been sent to the artists, who are members of the Society. If you care to enter the competition please let me have word at once. The second letter is going to a portion of the members who replied today so that you will have really lost very little time. I hope you can let me have your acceptance.

Very respectfully yours,

Secretary.

Gentlemen,

As the enclosure will indicate I have been authorized, and it is my pleasure, to send you copy of resolutions passed by the New York Numismatic Club at their January meeting, 1921. The resolutions were formulated after careful consideration of the subject by a committee especially appointed for that purpose.

Will you please acknowledge receipt and inform me what action, if any, your organization takes from time to time of a similar nature on this subject (so-called California 1 dols., 1/2 dols., and 1/4 dols.)? I am free to state on the authority of our Executive Committee that it would please us to hear that you have passed similar resolutions. Our resolutions have already been handed to the Secret Service Department of the United States Treasury and we have the approval of their chief and his expression of appreciation for what we have done along these lines.

May I ask for a copy of resolutions for our files if you pass any?

Very truly yours,

Copy of resolution passed by The New York Numismatic Club

January 14, 1921.

WHEREAS

The United States Government has never authorized or issued any gold coins in California, or elsewhere, of a smaller denomination than one dollar, and

WHEREAS

From about 1852 to 1886 certain merchants, bankers and brokers in California did make and issue gold tokens inscribed with dates of issue and face values of

"1/4 DOL"
"1/2 DOL"
"HALF DOL"
"FIFTY CENTS" and
"1 DOLLAR"

said issues not being forbidden by the U. S. Government until 1886, thereby giving them an historical and numismatic value to collectors, and

WHEREAS

Certain unscrupulous persons have since that time manufactured and sold small metal discs in the likeness of gold coins, with inscriptions such as 1 - 1/2 and 1/4 and a date, but of a low standard of fineness and intrinsic value, and

WHEREAS

Such fabrications, which are in no sense coins, have been sold to uninformed persons as genuine California gold coins, and

WHEREAS

Such deception tends to discredit Numismatics and discourage collectors in the collecting of the private issues of California gold coins, issued previous to 1886,

THEREFORE BE IT RESOLVED,

That The New York Numismatic Club unqualifiedly condemns the manufacture and sale of said articles or modifications of same, and calls upon all Numismatists to protest against the further tolerance of their manufacture and sale as coins, and to endeavor to suppress the traffic therein.

BE IT ALSO RESOLVED,

That copies of these resolutions be forwarded to the Coin Clubs and Numismatic Societies, in Boston, Springfield, New York, Baltimore, Chicago, San Francisco, and other places, with the request that such Clubs take similar action in the matter, and

BE IT ALSO RESOLVED,

That a copy be forwarded to the Secret Service of the Treasury Department, in Washington, asking if anything further can be done by this Club, to aid the Secret Service in stamping out this evil.

Dear Mr. Wood,

Thanks very much for your letter of April 30.

In the course of sending bill notices to members of The American Numismatic Association so much routine work is involved that some times details that should be corrected may be overlooked. The membership card of the American Numismatic Society in the A.N.A. file had at one time written on it something to the effect of "Branch #10" which was scratched out and some one wrote it in again, evidently the work of an ambitious officer to systemetize or something else, I do not know.

Again let me say how glad I am you called my attention to it. Yours truly and the little lady that helps him are both in tears. She doesn't want to think its her fault and I don't want to think its my fault. I don't blame her and she doesn't dare blame me. So you see at last the terrible "kettle of fish" is through boiling. I am sending you another notice which is correct and am also taking care to write a new card to put in the file of the A.N.A. on which no mistake will be recorded.

Thanks again, best wishes, and I hope to see you soon.

Yours sincerely,

Dear Mr. Swanson:

We have had an enquiry from one of our members who resides in Paris, asking whether it would be possible to obtain a copy of the medal designed by yourfor the Collectors Club. I asked Mr. Wood whether the Society had such a copy, and he tells me that we have not a specimen of this in our Collection here. Do you know whether the medal is to be pucchased? And if not, whether we could write to the issuing authority to ask them to present a copy for our Collection?

Sincerely yours,

Secretary

Dear Mr. Swanson:

Would you care to consider becoming a Fellow of the Society? The differemce in the annual dues is only ten dollars a year. We are anxious to elect as Fellows those of whom there is some likelihood that they may attend our business meetings. Also, we should like to have a larger number of sculptors among our Fellows.

I hope you that you will consider this suggestion favorably.

Very truly yours,

Secretary
